1U Short Depth Rack Mount 15.6"LCD KVM Console

(LH1601)

Overview

The LH1601 1U rackmount console is the ideal solution for ETC specialized rack, 5G rack, network specialized rack and standard server rack. Featuring an integrated 15.6" LCD display, full-99 key keyboard and touchpad, all in a 1U rack-mountable housing, it supports the shortest mounting depth: 360mm. This console is designed with two anti-vibration fixing screws on the front panel to prevent the console during transportation and operating.

| 1 LCD Display	6 Touchpad
